Free to hit, and hit hard, and hit where hitting will do the most good for the common people, DR. WILEY RENEWS HIS BATTLE against food adulterators.

Self-released from the red tape of the department of agriculture, and the sinister influences higher up in the government, the pure food champion can at last speak out!

Dr. Wiley has written for The Day Book the INSIDE FACTS of food adulteration—why and how it's done.

He will tell housewives who read The Day Book HOW TO GET UNADULTERATED FOOD, and how to know they are, or are not, getting pure food.

This series of food adulteration articles, the first from Dr.
